The Strategic Goals of the NCIGF and the State Property and Casualty Guaranty Fund System

- * Operations and Insolvency Management. Manage property/casualty claims in a professional, timely, efficient and cost-effective manner. The NCIGF supports member guaranty funds in meeting their immediate and future obligations to policyholders.
- * **Public Policy Management**. Strengthen service to policyholders and claimants through sound public policies that form the foundation of the property and casualty guaranty fund system. When necessary, seek renewal of the system's statutory foundation to meet future challenges on behalf of policyholders and claimants.
- * Outreach, Communications and Education. Educate and inform the public, industry, policymakers and other stakeholders about the property and casualty guaranty fund system to assist the state guaranty funds and the NCIGF in execution of their respective missions. Drive cooperation and consensus building among guaranty funds through member-focused communication and education.
