## Announcements

1. The meeting was called to order.
2. Roll call was taken. A quorum was reached with 24 voting members present. One non-voting member was present.
3. Participants were reminded that the meeting was being conducted according to the NCIGF Anti-Trust policy.

## Business

1. Approval of Minutes from the January 21, 2014 Conference Call. Moved, seconded, and carried.
2. UDS Help Desk Status Report
  - (a) Question regarding F Records. Discussed during new business. (See below.)
3. Sub-committee to update UDS Financial Manual. The committee is finished with the FAQ's. They still need to reorder most of the key tables. May be able to project a completion date after the next meeting of the Sub-committee.
4. Continue discussion regarding the return of images to the Receivers from GA's. Florida plans to try using the alternate index. This will serve as an experiment that all the funds can learn from. Florida will report back after their next new insolvency.

## New Business

1. The TSG approved allowing F Records to be sent at the claim level. It has been suggested that we allow the same to be done with I Records.

The main point of this question was to allow F Records with out a claimant number; however, the manual already allows this as the claimant number is not a required field in the F Record.

**Next Meeting:** Tuesday, Mar 18 2014 at 2:00.
